We need to have all interested Water Polo players register by April 20 to ascertain the viability of the program. If there are not sufficient registrants we will unfortunately have to cancel water polo for 2016 and issue full refunds for those families who have already registered.

WinterFit Mini Meet

This Thursday, April 21, 7-8 pm we will be holding the mini meet (at Cheam) for all Stingrays who are registered in our WinterFit program. If you are currently in the Monday/Friday group, you will have to miss one of those sessions this week in order to swim on Thursday. We will need timers, so parents please stick around to assist with that. Coach Travis is looking forward to seeing as many swimmers as possible on Thursday. The more Stingrays we have racing, the more fun it will be!

Masters

If you are contemplating registering for the Masters program, but the times on the schedule don't work for you, please send an [email](#) to see if we can come up with a way to make it work for you. We may be able to look at opening up a one day per week option or possibly having one lane open during water polo practices for Master swimming. If this may suit you, please let us know at your earliest convenience.
